Sending my condolences to your family. We know each other for a really long time.

My deepest sympathies to all of you. I pray the Lord gives you comfort in this difficult time. Although it may not ease your pain, I know Aunt Arlene is surrounded with Love from all those that have passed before her and the greatest Love of all, to now sit in the presence of the Lord. May God bless you all and bring you peace.

I'm deeply sadden to hear the loss of such a sweet woman. Arlene was always so good to me and my family. My heart aches for my primos, always hoped we would see each other more in life, but we all get so busy being grown ups and taking care of our families too. Love you guys no matter how much time passes and praying for your strength during this time. Mi más sentido pésame Tio Chendo para usted y la familia.
