

Arlene June Jensen Curtis

June 25, 1940 ~ July 1, 2023

We were sad to hear of your dear mothers passing. She was a marvelous lady who touched many lives. We know some of the family and she raised strong children. The great thing about the church is we know "Families are Forever" and you will see her again. She is now yhour guardian angel in heaven and no longer faced with her trials.
