Grandma, it was great opportunity to know you in our mortal journey, I know there is some purpose for the same, you are an incredibly soul, you are an example, you have finished it great, I will miss ❤ you dearly. You are always in my thoughts, I bet Jan will miss a great Friend.

Jan, David & Family, Judy served with Arlene many years ago in the Primary. She was a great example of leadership to her. We have cherished knowing both Seymour and Arlene and watching their children grow over the years. It's comforting to know she and Seymour are once again together and probably visiting with Fritz & Anna.

My sincere condolences to the family of that wonderful couple I met almost seventy years ago in Montevideo. I didn't get to know them very well then because I lived in another city, but had the happy occasion of meeting them again in all our former missionary meetings along the years with president and sister Shreeve. I also met Arlene often when she was working at the church offices and I at the Translation office. I hope all the wonderful memories you have of her will give you happy moments as a family. May the Lord bless you with His comforting Spirit and peace and the assurance that life is eternal.

What a privilege it has been for me to meet and form a friendship with Arlene. Her interest and zest for life were an inspiration. Her positive attitude and "can do" spirit something I want to emulate in my own life. Although she had a few years on me, she was a dear friend who added greatly to my life. I loved visiting about Cache Valley and our love for "home". She has taught me so much and I will miss her. Jan - My heart is with you at this time of loss. Your mom loved her children and was ready to graduate. Love Leeaine

I am so sorry to hear of the passing of Arlene.I will always remember her as a wonderful person who made everyone who came to her house feel welcome. I will never forget the first time we met. I truly felt of her warmth and love towards me. Arlene was an example to me in so many ways. I send my deepest condolences to all of her family. May the Lord's greatest blessings be with you all at this difficult time. I know that she will continue to watch over you all. May Arlene R.I P. Carol Hemmett.

Dear Jan, I loved your mom! She and your dad helped teach my husband, Eduardo, the gospel in Uruguay. And I so enjoyed chatting with her while we both worked in the Salt Lake Temple. I’m sorry I didn’t find out any sooner! May you be comforted by the memories she left with you. Isabel Norat
