Dear Lisa, We are deeply sorry to hear about your loss. Although we didn’t have the privilege of knowing Arlene personally, I know how loved and cherished she was through the stories you’ve shared with us. I can only imagine the depth of your sorrow. Please know that you’re in my thoughts, and I’m here for you in whatever way you might need—quiet company, a listening ear, or simply someone who cares. May your memories bring moments of peace, and may love surround you as you navigate this tender time. With heartfelt sympathy, Mara, Christian and Veronica
