Dear Lon, I am so sorry for your loss of Grace. Out of everyone I know, and especially in my career, I don’t know anybody with more goodness than Grace. Much love, Ron Larkin

Hey Lon, I was just talking with Ben this morning and he told me about your wife passing. I am so very sorry. I pray that God’s love and grace will bring peace to you and your family.

Aunt Grace, so many fond memories running around your house and Bear Lake cabin as a girl. And I always loved eating your sweet n sour meatballs! They were my favorite! I remember watching you take care of Great Grandma Alice for so many years. Now that I have a family of my own, I am in awe that you so willingly and lovingly took that on when you had so many small children you were still raising. But that is just who you were. Always looking to serve and give to those around you. Your love and kindness will always hold a special place in my heart. Love and miss you! Kaitlin
