To all the family, I am.so sorry for your loss. A couple of years ago I had the privilege of flying to Utah to be with him and all of the family. He and his wife showed me his life from where he grew up and every thing. May he Lord give the whole family comfort and peace during this time. Love, Ed Sipes

Our deepest condolences to the family. After searching for many years I finally found Art and his family. We spent a week together getting to know each other and our families. He had a good sense of humor and he would laugh when I would call and say it is your crazy younger sister. Only having a short time with him I will miss him dearly. May God give comfort to his family and I know Art is with the Lord resting peacefully. Love, Sharn and John
