We are so sad about the passing of Art and even more sad not to be there to celebrate his life. We love you Luana Mark and LaFaunda

- LaFaunda Curtis

We're so grateful to Art & Luana for allowing us to come back into your lives, and being so accepting of us. The friendship and love you've extended to us truly reflects who you are. We will always cherish the memories you've helped us create, and Art was such a great example of what Christ would want us to be. Luana, we love you and hope that we can continue down this 'road of life' and stay in touch with you. You're in our prayers. May the Lord continue to bless you and keep you safe. We will miss Art!

- Don & Lyndel Hammond

To Scott and the entire Casper family. We send you our deepest condolences. Art has always been a shining light in our family. although contact has been sparse over these past years he is remembered with great fondness. Art will be missed.

It is with a heavy heart that I send my congratulations to a wonderful, kind sensitive man on his graduation from this mortal existence I’m sure he entered those pearly gates with a flare and with joy, I was a classmate of Arties’ and enjoyed his endearing friendship. Sending love and prayers to his sweet wife and family that they will be consulted with the saviors, comforting arms.

Oh gosh - my dad just reached out to me to let me know of Art's passing. It's been many years since I've seen Art or spoken to him and his wife, Luana, but I still remember how kind and generous he always was to me. I'll never forget when he and Luana offered me a part-time job when I really needed it at their accounting office when I was only 19, or the times I babysat their adorable kids. He's been such a wonderful friend to my dad (Don Hammond) for many years, and I know he will be deeply missed.

I am so sorry for your loss. Loss of family is always hard & loss of your father is definitely heart breaking. The Lord God is with you & your family especially at this time of sorrow. Lean on him. Know that you are loved. Your father will be missed. He was a good man.
