

# Guyla Mae Littlefield

*June 15, 1936 ~ February 28, 2023*

---

I was so sorry to read of Guyla's passing. She was such a great help to us when our oldest son was born in 1966, with a birth defect, and he spent time in the Primary Children's hospital. She was his nurse and she gave us so much sound advice that helped up through a really hard time. Condolences to her family. She was an true Angel.

- Deanne Curtis

---

So sorry to read that Guyla passed away. I work under her at Doxey--Hatch. She was one great lady.

---

My love and prayers to you all. I share your tears, at the loss of this precious Mom, Grandma, and friend; and I share your joy, knowing she is Home now, with her loving Lord and Savior.
