

Arthur Herworth Hardy

April 29, 1929 ~ December 3, 2021

My condolences to the family that embraced my sister Barbara Tubbs as one of their own. Barbara and Carol were the best of friends for such a long time. My heart goes out to Carol and the family while you are in the grieving state of mind, Even though we mourn for our lose, we also rejoice for the plan of Salvation that is extended to all of us,. ♥■

- Linda Peake

I had the great honor of working with Art as fellow vocational rehabilitation counselors in the 1980's. He was an inspirational role model and an all-around pleasure to work with. I took over his caseload when he retired, and was humbled at his great case management and achievements in restoring disabled clients to gainful employment and fulfilled lives. The way he sincerely lived the Gospel was also uplifting. I will always appreciate him.
