Antonia and Logan, It is truly heartbreaking to hear of the passing of your father. Over the last 55 yrs. of friendship, your father has been such an incredibly delightful, inquisitive, open, wonderous, and constant dear friend and treasure to Robb & I. The world, and our worlds, were a phenomenally better place because he was in them. We offer our sincere condolences to you and your family. Please give Ruthie and Madeline our love and condolences. May you all be enfolded in the love of family and friends and may your love and your memories sustain you now and in the days to come. Our love to you, Wendie & Robb Roberts

Dear Antonia and Logan, We are so sorry to read about your Dad's passing. He always treated us with kindness and we loved his "forever" contagious smile. The pictures you posted are wonderful, thank you for sharing them. It's not fun to lose those we cherish and love. Our thoughts for strength during this difficult time are with you. Love, Aunt Joyce

Bub was such an incredible character; I loved seeing him come into clinic for care. He was essentially the highlight of the day! No matter what curveball was thrown at him health wise, he showcased the upmost attitude one person could ever have. He taught me things about cooking and sailing, his tinkering, and most importantly what it means to see the joys of life. I remember him talking fondly of his late wife and I hope they are sharing the biggest embrace. Rest in peaceful peace, it was an honor to have provided you care and company in your final months. You will be deeply missed, Bub.

Logan and family, I’m just heartbroken to have read this about your father! Bud was an amazing man and his spirit and drive for finding the good in all still lives with me. From the first time I met “Chef” with the Buffalo BBQ, I knew I was going to be friends for life. His drive for perfection and knowledge of fine cuisine will be with me always. We were good friends and connected on so many levels. I’m proud that we crossed paths in our journey and I’m blessed to call him my friend! I send my love to you and your family, and I know his children did him proud! You are blessed ! Jane

So sorry to learn of Bub's passing. Also sorry that we are not available on the day you've chosen to celebrate his life. We both have wonderful memories of Bub and are glad he was in our lives. "Flights of Angels sing thee to thy rest," Bub. Anne & Ashby

Antonia and Logan, I am so very, very sorry to hear about the loss of your dad and sorry I missed his celebration of life. He certainly lived a life that needed celebrating. As you know he was an eternal optimist and could always calm me when times got crazy. I was very glad and proud to have him on our Cowboys Against Cancer team for so many years. I love that man and will miss him greatly.

We should have left this life before Bub. Hard to acknowledge he is gone. Lovely memories of his fine cuisine, but more of his humanity. Flights of Angels sing thee to thy rest, dear Bub.
