

Arthur John Miller II

May 18, 1965 ~ December 4, 2020

We are so sorry to hear of Art's untimely death. It just seems some times that life deals blows from which it is difficult to recover. However, although our paths had not crossed in some years, his many accomplishments speak volumes about the imprint he has left on so many lives. We only hope that in the coming days, months and years that you will be comforted by the wonderful memories he has left behind. Please accept our sincere sympathies. Nick and Sabine Gold (cousins)

Dear Karen, Art, Alicia & Family, We were so sorry to learn of the loss of your son, husband, brother, and father. It is so obvious that he meant so very much to so many people. My sister- in-law, Teri, worked with him for many years in Provo and we had heard of his goodness and kindness before this time. It is a wonderful man who’s goodness can be talked about during his life, not just after his death. I’m sure you will miss him very much! We send our love and prayers for peace and strength to all of you. Jim & Nancy Comarell

We were shocked and saddened when Zach called and told us of Arthur’s death. We appreciate you and recall with fondness the fun times we had together when we ran and socialized with our running group years ago. We’re so sorry for your loss. You’ll be in our thoughts and prayers. Richard and Diane Carling

Dear Alicia and family, We feel so privileged to have known Arthur as an occasional neighbor in St. George. He was always so diligent in keeping your home next to us so nice, even in the heat of summer, out there with a lawnmower. What fond memories we have of him. We are so sorry for his sudden departure from this earth. We will keep an eye on your home here and hope to see you, Ann Marie & Spencer whenever you make it this way. Love, Jesse & Carolyn Prisbrey

We were with you all at the virtual funeral, and it was very lovely and comforting. Such a loss is impossible to comprehend. Our hearts, thoughts, and love are with you and the girls at this very sad time. The wish is to be helpful to you, and we just feel helpless in that regard. If there is something, please let us know. Doug has treasured your friendship and the running group people over the years, and you are one of the reasons. Many thoughts and hopes for comfort, peace and blessings to the 3 of you at this time and in the next year and beyond. With love, Doug and Holly
