I am so sorry about Hannah's passing. She was truly loved. Her bright personality was one of my favorites. Such a sweet girl that passed way too soon in this life.

Our hearts are broken for your family. Wished we lived closer so we could have seen all the kids grow up. I know Aunt Sandy wrapped her arms around Hannah the moment they met. Hannah is safe and happy. She will see everyone again one day. We love you all.

Leslie and family, Words are always difficult to find when we lose someone we love, especially unexpectedly. While I don't have the perfect poem or phrase to share, I do know that God is with you all during this abrupt change of life as you knew it and can comfort you when the depth of loss is too much to bear. You also have many friends, family members, and coworkers who love you all and your family, and will be there for you to be a listening ear or a hand to hold. I am praying for you all and hope that you can lean on each other as you navigate life without Hannah. "The Lord is close to the brokenhearted and saves those who are crushed in spirit." - Psalm 34:18

- Courtney Messinger

I was in a treatment center under a month ago with her. I came online searching to follow her on Instagram, but I found this instead. I am completely heart broken. She was an amazing soul. She will be missed by many. She was a very good friend, I appreciate everything that she did for me. I am sorry for her sister and parents. I will forever keep her in my heart.

My name is Hannah also. I came across Hannah Hare looking for my pen name. I love your family Thank you for the candidness and courage it took to share the reason behind the tragedy. Some families take on shame or blame or despair and don’t share. I felt Hannah come through in your family’s love for her. I want a chance to honor her in some way besides just believing this is a badass cool name. I am an artist too. Your Hannah is amazing and happy and has such an energetic personality. I can’t help but love her. Please ■ give me your blessing even though the pen name is up for grabs. Except my condolences though a stranger—I prayed the night I read about Hannah Hare. I was surprised that I found her just recently deceased. It has take. It has take awhile to make myself reach out. I would be honored to use such a pretty name. May she continue to live in name. Continue to be a vessel of joy and inspiration in another way ??? Thank you for sharing. I shared her story with my brother who struggles with fentanyl addiction. It is a cycle I hope he can break. It is evident to me that Hannah and Katherine come from a loving home with wonderful parents I am so sorry for your loss. For Katie cat - yes she hears you when you are in the car talking. She will sick around as long as you need
