

Harold Ahrens Brooks

April 22, 1930 ~ February 6, 2022

Harold and I were assigned as companions to serve in the capacity of stake and ward missionaries many years ago - me being in a few years younger and not having served a proselyting mission I learned how to be bold and not ashamed to share my knowledge I will miss this wonderful man.

- Jerry Williams

Sorry to hear about your loss with Harold give me a call love you Claudia and family

- Adeline Grayum
