August 27, 1931 ~ December 9, 2024

Our deepest condolences. Such an amazing man. Thankful that families are forever. Much love, hugs and prayers for all.

We want to share how far your parents influence reached with family history. We connected with Tess because Mikal and Tess shared common Graham ancestors. Tess added to the records for that family. LaMar and Tess invited to visit in their home and we enjoyed that simple connection of family. They have left behind many memories and we are grateful for our memories of them. Sincerely, Mikal and Janet McKinnon, Richland, Washington
