So sorry for the loss of a friend we will always be such friends

- Fabian Crandall

Sincere condolences upon hearing of the death of Sperry. I have so many memories of the family as my childhood found me in the home at 929 West 8th South, Salt Lake City, UT, where I lived with my parents, - Frank and Thelma Rueckert, and my Grandma -Elizabeth Rueckert for a time before her death. We all attended the old 26th Ward, Pioneer Stake. May God bless you all and your families.

My heart is greatly saddened by the passing of your dear father and John’s and my dear friend. We had so many wonderful times and memories with your mom and him. He was always so happy and smiling and fun to be with. I loved to hear him play the piano and organ. Hopefully, the three of them are having a great reunion. Love to all of you children. Marsha
