Dear Anne, we were so sorry to learn of Ashby's passing. He was such an accomplished man and added so much to the community. We will miss him and are sending our sincerest sympathy to you.

Anne, you have Bret and my condolences in the passing of Ashby. You are both wonderful neighbors and we will miss seeing Ashby at the pool swimming every day during the summer. We knew that Ashby was accomplished and wonderful to you, but wow he was Renaissance man, what a full and wonderful life.

- Becky Hill and Bret Spriggs

Dear Anne, My heart goes out to you and your family. Victor and I shared such outstanding times and travels with the both of you. We have many photos together and wonderful memories. We will miss him dearly. God bless you and your family.

One of the true joys in my life was getting to know Ashby. We were both members of the Alta Club and served together on the board of directors. We both loved the theater. Especially watching Anne perform. Our love of food and wine lead us to La Chaine. Ashby as the organization head and me as a member for more than thirty years. Ashby was brilliant, but never arrogant. Humble and caring was his mode. Once a friend, always a friend. He loved life and a good laugh. The world will not be the same without him. Love,
