Love you, Friend. She was a gift. Those who both knew her and knew of her were touched by her beautiful spirit and her ability to share it with so much joy. She got that from you.

Dear LeAnne and Barb, I am so very-very sorry, it is shocking and painful hearing about Ashleigh's passing. My heart is crushed and my mind empty, struggling to comprehend any of it. I have precious memories of Ash on the day she was born and her childhood. She really was a blessing from God! Her big beautiful brown eyes and adorable smile melted you on the spot! She was crafty like her mama, carefree and super smart! I was honored to have her as my wedding flower girl. Her whole life, you gave Ashleigh the most special gift of love and she shared that gift with everyone that knew her. May you feel peace in your soul knowing the two of you (and her papa) raised a beautiful, compassionate, intelligent, graceful woman who made a difference in this world. To everyone, Ashleigh was always an angel here on Earth, now she has her angel wings. My deepest sympathies to you and all who are mourning her death. I will not stop praying for you and for God's tenderness that is needed to cope. Thank you for sharing Ashleigh's funeral with everyone who cannot attend. Love you very much! God Bless You Always, Leesa Stone

It has been many years since Ashleigh has been in my life, but her spirit is unforgettable. I will remember her for the fun, creative, and witty person I knew her to be when I had the opportunity to work with her to create the magical world of Hogwarts one summer. She brightened this world. Rest In Peace.

On behalf of the entire staff at Acalanes Adult Education, our deepest condolences to the family of Ashleigh. The short time we were able to work with Ashleigh through her work, she was always so kind, caring, and a great personality. My her memories bring you comfort during this very difficult and challenging time.
