

Helen Irene Ogden Smith

February 7, 1945 ~ September 3, 2024

Helen and I taught second grade together for many years. She was a very good friend and qualified teacher. She was very organized and confident in her teaching and discipline. The kids all loved her.

Helen was an angel on earth. I have not met anyone as positive as Helen. Always a smile and a kind word for everyone. Helen was a superstar teacher, her waiting list for students to get into her class was always the longest of anyone, everyone was begging to have Helen as their teacher. I was in her classroom to watch her lessons. She was so tender and loving with each, and every individual student, they loved being close to her and being taught by her. Helen is definitely one in 1 million. She will be greatly missed.

Helen was an incredible teacher and was such a supportive team member. I had the privilege of teaching with Helen for a few years and she influenced the lives of so many students and teachers. I will always remember her kindness and warmth.
