I will never forget riding in the van on the trip to Moab with Tyler and AJ. I had such a great time just talking with him. I feel so lucky to have gotten to meet your amazing son and to get to know him even if it was just a little bit. I am sending you all of my love.

I didn’t know AJ .. Miss Kami taught my granddaughter dance. I have been up Gma’s home in Draper for a dance party. My heart absolutely breaks for your family. May God and the Angels always buoy your spirits. My deepest condolences to AJ’s family.

I remember AJ being a very kind kid, we were never friends and not close but his loss is still deeply saddening. I’ll be praying for him and your family. My deepest and most sincere condolences
