

Howard Dale Holfeltz

March 9, 1933 ~ May 9, 2021

So sorry to hear of Howard's passing. Such great memories serving with him in the Winder 2nd ward. What a great example of faith and service. Love and Prayers, Molly

I always admired Howard for his devotion to family and his testimony of Christ. He was always such a kind and friendly person. I have a special affection for Lorna, his wife and my dear cousin and their children, Nancy and Ruth. I had the opportunity of being Nancy's teacher at BYU.

I love Howard Hoelfeltz! The singles in the ward were always welcome over for an FHE! We loved to carol to Howard and Fran each Christmas! A few times I just stopped by just to chat! I was always welcome and I cherished that feeling! I always knew he loved the Lord and Fran and his family!

To the Holfeltz family, I only today learned of Howard's passing. I was 20 when I worked with Howard at Sperry Univac in 1975. He was my friend, a truly kind man. I saw him last 40 years ago, and I've thought of him often over the years. My sincere condolences to you.
