

Howard G Walker

September 7, 1922 ~ February 4, 2022

It was such a privilege to get to know Howard during his time at Spring Gardens. His smile melted my heart. He was so kind! Thank you for bringing him to our facility and letting us take care of such a sweet man. ■

- Charity Medinger

Thank you for being my grandpa so many loving and fun memories with u summers spent with u have always been my favorite I love u and miss u please tell grandma hi for me I love u guys both so much. Rest in Peace Grandpa and Grandma

- Kelle Walker

To all of Uncle Howard's family. My love and concern goes out to each of you. May you all be blessed with peace and comfort at this time of loss. Uncle Howard always had a way of letting our family know how much concern, love and passion he had for our family. After loosing our parents at a young age. His sister Carol Rae being our mother. He would always ask how we were and wanted to know about our affairs. After one of our brothers Ford, graduated from high school, went to live with Howard & Verla for a time. I'm sure that he helped give our brother the confidence and love & support that was needed at that time. Love to all of you. Sincerely Gloria Warren
