

Hugh Sloan West Sr.

January 28, 1924 ~ September 26, 2025

President West was my childhood Stake President in the Hartford Stake. A great man and true spiritual leader.

- Brad Stewart

Prayers and the best to the West family. As a missionary in OCM, I do have fond memories of President West. I will always remember the way he did effect my mission and life.

- Sarina Begay Otero
