

Hunter Vaughn Nelson

October 20, 2000 ~ February 13, 2026

So devastated learning my dearest of friends suddenly left this earth on 2-13-26. Only wish to god I had been here in Utah and not South Africa when all this happened!!!!!!!!!! I am numb and can barely get through each sorrowful day of gloom!!!!!!!!!!!!! Hunter was truly a man of integrity, loyalty, humor, steadfastness despite his human weaknesses we all as humans work to improve upon!!!!!!!!!!!! Hunters loyal friendship meant more to me than any amount of money. For eighteen very very short inspiring delightful years we laughed and cried over our joys and disappointments which were both more than at times we felt we wanted to endure!!!!! But we did for sure. Hunters honesty and compassion for others was inspiring to see. His beautiful daughters were the light of his life and loved and spoke often about as well as his sweetheart and the love of his life!!!!!!!!!!!!! Truly a ‘MAN’ to match our Utah ‘Mountains’ God bless his loving memory■■■■■■■■■■■■❤■❣■❤■❣■❤■❣■❤■❣■❤■❣■❤■Your forever bro. BRENDON
