Dennis and Bob, I am so sorry for your loss. My dad died of dementia an a heart attack and I know how hard it is to let them go even if they don't remember who you are, but they are in a happier place now. I remember Imogene coming in to the "Fish Bowl" to tell us about one of Dennises antics or just to say hello. She was a wonderful person. Love, Peggy Tingley (Environmetal Health).

Dear Dennis, I just read of Imogene's passing and my condolences go out to you and you family. I remember her well from my childhood. What a cutie she was! I also remember the many dinners our families had together when we were young and our parents were such good friends. I remember one of those dinner in particular. Your mother had made it clear in days past that she would never eat rabbit meat, but that night, my mother cooked and served rabie without telling her. (This was during the depth of the Depression, so that must be the reason for the rabbits.) In any event, your mother commented on all the chickens we had cooked in order to have so many "chicken legs." We never did have the heart to tell her the truth about what she was eating. Again, our condolences go to you and your family. NOLA MYRL 1016 E. 150 S., American Fork 84003 925-623-8351

Heartfelt condolences to all of my Dalley cousins, and especially to Bob Dalley (who I worked with in State Government for a number of years) and to his father Dennis. Best Regards from Arthur C. King (Great Grandson of Susannah Dalley Clark, wife of George S. Clark)

Condolences to the Dalley Family. If you lived in the Wonderful Special Community of Crescent years ago you would know the Dalley Family and how they contributed their talents in all they did. They made Crescent a Special Place and while growing up provided that example to follow. Our thoughts and prayers are with you at this difficult time. Sincerely, Dwight & Connie Johnson Fort Walton Beach, Fl.

Our condolences to Imogene's family and friends. She was proud of her pioneer ancestors. She was an active member of the Daughters of Utah Pioneers, joining in 1961, 59 years!
