

Austin (Rick) Rowley

April 12, 1930 ~ January 3, 2023

To Aunt Lynda and family. We have had Uncle Rick's cabinetry work hanging in our kitchen for 16 years. That gives us another reason to mention him in our house. Whenever I hear his name, I think of how much his Rowley family meant to him. I think of how he was there for so many of my parents' big days -- child's weddings, social events, etc. I think of him completing the set at every reunion of Clair and Berta's kids. I think of the care his family showed him. I will miss all of that, like the loss of something dear to me. May God bless you with His peace and sustain you by the hope and power of Jesus. We will pray for you all.

Dear Linda and the entire Rowley and Mather Family. We are so diappointed to hear of Rick's passing, and we and our family offer our sincerest condolences to you and yours. We enjoyed Rick so much; he was always friendly, funny and right on with his comments and observations We pray you'll find comfort and peace in your hearts and look forward, as will we all, at that joyous reunion to come. We're out of town and will unfortunately miss his funeral and visiting with you all, but we will be there in spirit. Love, Craig and Kathy Moffat
