

Ina Muriel Plue Wentworth

October 30, 1938 ~ March 28, 2021

Sorry to hear about your great loss. Ina & my mother, Charlotte Rusch Klug, grew up as neighbors, classmates & lifelong friends. Whenever Ina was in Wisconsin,she & my mother got together & had great times. Sounds like Ina had great times wherever & whomever she was with-memories that you will always cherish. I enjoyed reading the grandkids' memories of Ina, in particular about the RV adventures & poor Yaya-I had heard some of those stories from Ina when she visited, but not to that comical extent. You guys are great story tellers about your wonderful Grandma-precious times that should never be forgotten. Laurie Klug

- Laurie Klug

So sorry for your loss. We will Ina greatly. So glad our last memory was game night with the family. Even though we tried new games that night. Ina was all in for trying something new. We have great memories over the years. Going camping and boating at Powell she was always up for playing any game. Until we meet again over a game of cards. Love you Ina
