It was an honor to know Reb...his humor, his joy, his great hugs, his love for his family, and for my family! I will miss him "for now"...but what a reunion we'll have when we meet again! I love you all and pray that the comforter will carry you through this hard time.

To remember uncle ElRay, for me, is to remember a smile that I never experienced leaving his face. "Happy" is the word I attach to him. And the funny phrases he would say just always made me laugh. One time I was full after we had eaten a big meal and he always offered more. When I said I couldn't, he said, "well, stand back, open your mouth and get a running start at it"… never forgot the visual and it made me laugh. Much love to my extended family. Jan

My sincere condolences to Steve, Barbara and the entire Oxley family. During my high school years I spent many a pleasant afternoon at the Oxley household, joking and laughing with Steve, Dan, Barbara and Reb. I learned a lot about life and the workings of internal combustion engines from Reb. Reb was a wonderful man who always brought joy into a room when he entered. I am sad to know he is no longer with us.
