Linda and family, sending you prayers and love as you navigate through this difficult time.

- Valerie Williams

Oh, Linda. I'm so, so sorry. I'm praying God sends His angels to surround and comfort you, the girls, and your family. I love you all.

I didn't know your son, but was moved by your tribute to his life. He was deeply loved and respected. He will be genuinely missed and most lovingly remembered. I'm so sorry for your heartbreaking loss, I'm praying for you all.

- Julie K.

Hi Mrs. Klebic, I went to school with your son and it's been two years since his passing. I wasn't close to him but I know everyone still loves him. All of his friends always tap his locker when they walk past. Your son was very well loved, we all send you our condolences
