

Iris Elly Miller Reynolds

November 7, 1928 ~ April 15, 2023

Our family loves Iris very much. She is one of a kind. She will be missed, especially her smile and twinkly eyes. She has been a wonderful friend.

Never in my lifetime have I worked with a more caring and loving person as Iris was. She would brighten up a room with her kind smile. She served her fellow man with so much kindness , dignity and respect. I have lost a dear friend but the healthcare community has lost a great woman. May you rest in peace Iris. With love and respect Sydnee Stowe RN

Iris was always a delight to talk to, and one of the sharpest wits I've ever known. So sorry we're going to have to miss her for awhile until we see her again. My very heartfelt sympathies to her family members and close friends. May you have only the best of memories of this great lady and keep her close to your hearts.

Dear Reynolds Family. I was sorry to learn that Iris has passed on. As I share in your mourning I also reminisce over the many years and many wonderful memories I have of Iris and Richard. When I was with Iris or talking on the phone, she would always talk about her family and how proud she was of them, she would also comment about social and world issues with concern. One of my fondest memories is her saying "Oh S... D... H... Gary, I just don't know know what..." Iris, thank you for your friendship and memories.
