

Isabelle Holli Parr

December 21, 2000 ~ December 1, 2022

I am so sorry for your loss. Isabelle seemed like such a light to everybody that knew her. May her family and friends find peace during this difficult time.

Parr family, I served with Isabelle in Kansas during my last transfer. She is such a bright and happy person who did so much good. She left a definite mark in my life and even though I am unable to be in Utah for the service please know that I will watch and that my heart goes out to you. All the best, Nicolas Unsell

Izzy worked with us here at Precoa for only a short amount of time but in that time she had an impact on us all. The sweetest and most caring girl! We were lucky to have her even just for a few months.

Sister Parr was a fantastic missionary! I would hear of her wonderful spirit and testimony all through my time as a missionary in Kansas. Although we met for only brief periods she lit up my life. I wish that the world didn't take such a beautiful light from us so soon. I know she is bringing her own spark to the world beyond.

Hello, Matthew & Jennifer Parr family, This is Pam Harrison from Gunnies in Orem. I was Izzy’s employer here at Gunnies. When she interviewed with us she had such a bright and happy countenance. We all loved her. She said she wanted to be the best at the register and help customers complete their purchases. She was so good at helping customers and really engaging with them. She looked so cute wearing the Dakota hat and boots she bought from Gunnies. I was really sad when she decided to go to another job but I understood. She stopped in and visited here with her coworkers several times after she left. We are so sad about her passing. Our hearts go out to you and your family. May the Lord bless and watch over you all. And give you comfort that Izzy is with our Savior, Jesus Christ. We all love Izzy.

- Pam Harrison

Matt & Jennifer I saw this beautiful woman’s name. And was hoping is was not my friend Matt’s daughter. We send our love and prayers to your family as you go through this difficult time. Much Love to you all. Brian & Jen Wright Langton

I didn't know your daughter well, didn't even know her first name, just Sister Parr. When they were doing virtual tours of the visitors center, I volunteered to be a guinea pig for practice. My husband and I had been to the center in about 2007 or 2008, and toured it in person, so I thought I might be able to help the sisters. Your daughter was sweet and devoted to Christ and her mission. She had a warmth and humor that charmed and appealed to me. I'm so sorry for your loss. I know it leaves a huge hole in your daily lives here. May the Lord bring you peace and comfort. Gentle hugs, Susan

I had the chance to become Izzy's roommate during the summer of 2022. How lucky I was that chance connected us. She was so friendly as we met and got to know each other. A few moments stand out to me about Izzy. Whether there was work drama, school concerns, or dating worries, she always tried to give people a second chance and focus on how she could improve. Second, she was so friendly and would often join my fiance and me for crepes when we made them in the evenings. Lastly, she helped me try on my wedding dress as I was getting ready for wedding pictures, and her support helped me feel so special. I will truly miss her, and the world will be

impacted by not having such a great person here. Thank you for sharing the memorial services with us so we could remember Izzy.

Jen, my love, condolences, and prayers go to you and your family. I was so very saddened to hear about Izzy. When we worked together she was just going on her mission. You have been in my thoughts and prayers. May you be blessed with comforting peace and hope. My love to you sweet friend. Kristy

Izzy was one of my closest friends. I'd like to believe she taught me to see the beauty in everything. The last time I saw her was the day before her passing. It was at our friend's waffle party, she wasn't too sure about going. I remember she wanted to read my palm, however, she was really tired too. So, I told her, some other time. I didn't know that would be the last time I'd see her. When I first arrived at the party she was lying down on a couch, she was really tired. Our friend Leslie, wanted to give us a house tour. I went over to Izzy and held her and encouraging her to go on this house tour with me. First, we got waffles. She made me some waffles. Then she told me she could see people's aura. I asked her what my aura was. She told me it was green, and looked up what the color green signified. She was really excited about this tour, and halfway through it, she took over, exited as ever. You could've sworn she'd lived there before. At the end of the night, I gave her a ride home. I showed her some of my favorite songs such as: San Lucas - by Kevin Kaarl, Te Quiero Tanto - by Kevin Kaarl, Paris Texas - by Kevin Kaarl, Toda Esta Ciudad - by Kevin Kaarl, Burn Burn Burn - by Zach Bryan, etc. While driving to her apartment she asked me if I wanted her to show me the directions. I told her it was fine, I grew up in Provo, so I knew the area pretty well. When I dropped her off, she gave me a hug and told me she'd see me tomorrow. Two days later, I found out about her passing. My first thought was denial. I thought to myself, why feel sad, I wasn't that close to her. However, then I realized, how much she meant to me and I couldn't help but break down.
