Kirk and Jaxon my heart is with you today as you tread this difficult path. I have a solemn testimony of Heavenly Father's plan for our life. I know His hand is in yours guiding you . Life is so full of lessons that we need to learn, and this is a big one for you. My prayers are added to all the rest, I had a good friend years ago who was the father of a baby who only lived a few hours. His first words to me were something like, wow, I have a perfect son. He lived without sin. And now I need to be better so I can truly be with him forever Jaxon you sweet Momma, I pray that you may regain your health that you may have the joy of those sweet sons.
