Bailey is one of my favorite people. She absolutely lit up the room. Her smile and enthusiastic attitude made my job of teaching fun. She was kind to her peers and loved by so many. I love that she was not afraid to try new things. She had courage and a special kind of verve with her darling accent. She has left a lasting impression and a legacy in her short time. I will never forget her but will celebrate the kindness and spirit that was all her. xoxo
