Lord, this night some will be gathered to the Father. Grant that they may go forth surrounded by loved ones, without pain of body with clarity of mind, and joyful expectancy of soul. Uncle Ed and Aunt Nancy have a share in your suffering. Peace be in your hearts, and yes, you will miss Jacob greatly.

Jake was a true blessing to have as part of our softball family in Twin Falls, Idaho. We loved hanging and playing softball with him!! And not only that, him and his family stepped up and helped my family when my husband was so sick and fighting for his life. I will be eternally grateful for Jake and his family!! I am glad Jake that you get to spend time with your babies now and no longer have to feel any sorrow. I will miss you greatly and will always remember your generosity and you love you had for all of us!!

I am so sorry your family is grieving for Jacob. I will miss him to. I knew Jacob from Henningsen in Twin Falls. I was the office Lady. We spent a lot of time talking. He was so kind and caring to me. He also came to see me a few months a go with Bryan Harshman. He spoke on how happy he was with his family. He always told me how much he loved you. Always know that. I will always remember the love and friendship he gave me. I know now he is with God, happy at peace and with his babies. Please. take care. Pattea
