

Barbara Ann Bowden Salazar

September 20, 1947 ~ September 28, 2023

Barb was such a kind soul. We worked together at the VA in the Anesthesia department for many years. I know how much she treasured and loved her sons and husband Jess. Carpooling together was a hoot with Jess at the wheel. Barb and Jess were a match made in heaven. Barb will be missed and I know how much pain her family will go through. I am so sorry to learn about Barb's passing.

My condolences to the family. Barbara was the first person I met when I immigrated to the U.S. she made me feel welcomed and at ease. She was funny and caring. I'll never forget her.. she was special. Sonja
