NeNe graduated from South High and married Robert Cutler June 19, 1952, later divorced. Three children, Jenny Carson (Sam) and Teena. NeNe had various vocations throughout her colorful life. Great lover of all of her pets from childhood on. NeNe had a close, 30 year relationship with Bill W. and through him, developed extensive close friendships throughout the years. She loved gardening, and you could always find her with her dad (Pa) digging in the dirt.

She leaves behind her sisters, Billie and Jeril; her children; six grandchildren (Garrett, Beau, McKane, Zachery, Austin and Aubrey); four great grandchildren; numerous nieces and nephews and special friends Fred, Robyn, Darryl and extensive list of others. All of us will miss her witty sense of humor, her great stories of her previous lives and her willingness to help and nurture all those that she touched. We love you mom and know you are doing your good work in the universe beyond.
