You are going to be so so missed uncle James

- Lil Donna

I am sorry for your loss sending prayers & comfort to you and the family. We know heaven has gained an angel! I will always remember the good times. But I'll never forget the things you did for my grandmother Anita. You made her smile & laugh & truly be happy. I know you are both together now. Love you Poppy. RIP Davina & family. ❤■❤■❤■

I had the privilege of knowing James for a brief period in Las Vegas when we were both in our early twenties. He was fun loving with a great sense of humor and I admired the close bond this Classic Angeleno had with his brother. James , I'm so glad to read that many were touched by your Light Within. I was lucky to catch a glimpse of it back in the day as it set you apart from the rest of the pack on your triumphant journey.
