

James Angus “Jim” Kelley

February 24, 1934 ~ January 27, 2024

I worked with Kelly. He was exceptionally talented. Superior customer relation skills and a great smile, story teller and sense of humor! I’m so very fortunate to have known Kelly…. RIP ■

Jim was one of a kind, a true gentleman! It was an honor being able to care for him in his last days. I’m sending Maureen, Mike, and all of his loved ones, so much love, and praying for their peace and comfort!
