Dear Russ and Family, You have been devoted caretakers of others all your lives. First with your mother and grandmother, and then Barbara. I'm grateful she's relieved of the physical struggles she had, yet I'm sure she'll be greatly missed. Thank you for your examples of devotion and service. I hope your loss is eased by your knowledge that your loved ones are in a better place without being hampered by mortal limitations. Your relationship with them continues, with new boundaries. love, Rebecca Ryser Jolley
