James was truly an amazing human being. I lived with James back in 2017. I would periodically run into him around Salt Lake over the last couple of years. Most recently 2 weeks ago. He gave me one of his famous hugs, and we exchanged a few words. I'm grateful for that. I’m deeply saddened over his passing, My deepest heartfelt condolences to his family, children, and all those who cared and loved James. Death is not an ending, but a beginning. Rest in peace James.

Dan and Lisa and Family we were saddened to hear about your son James. I know Jim and Becky are heartbroken as all of you must be. What a wonderful photo of him and the obituary was such a tribute to him and how he lived his life. Words cannot express how sad we are for you and your family as losing a child is one of life’s hardest challenges. Blessing of peace as you adjust to life without his presence. We pray you will feel his love and spirit as you continue to mourn your dear Son. Love Connie and Ron Owsley
