The loss of my beloved BIG brother is BEYOND sobering. I’m still trying to grasp the thought and accept the reality that we’ll NEVER have our fun moments full of jokes and laughter again. This one hurts… BUT, I knowww he’s smiling down on us preparing all his jokes for when we meet again ■

To all the Ford family. May God be with you, comfort all of you at the loss of James (Jim). When our family met Jim we were instant family. We will miss the Super bowl Parties when the Kansas city chief's were playing. Thank you Jim for always being there for James, Vanessa & Victor. Friend's forever, Steve & Joanne Manzanares. Until we meet again my friend! Steve.
