A través de tus palabras hemos percibido el gran hombre que fue tu padre. Hubiera sido un honor conocerlo. Lo sentimos mucho.

Lamentamos el fallecimiento de un ser que en vida se preocupó por la necesidad ajena, brindando su aporte sin mirar a quién, Dios le recompense grandemente en la eternidad celestial y bendiga a sus seres queridos llenandolos de esa paz que sobrepasa todo entendimiento.

Carolyn, very sorry for your loss. ALS is so tragic. Enjoyed working with your husband early in my relationship. Enjoyed his advice and council. You lost a good man.

I am so sorry for the loss of my dear cousin Jimmy. When I think of my childhood memories, they are filled with Jimmy, Jamey, and Chris. All the years spent at Moon Lake with all of you, I felt like I was a sister, not just a cousin. One special memory I have of Jimmy, was an afternoon spent out on the lake, just the two of us. Jimmy was getting ready to go on his mission to Denmark, and he asked me to help him study for this special calling. I was asking him questions and he was giving me the answers. We laughed and talked for I'm sure was a couple of hours. I loved that time with Jimmy. I will cherish all of the wonderful memories I have of my Woodward family. I love you, Jimmy! Please give my love to all of my family that are sharing this day with you. Debbie
