

James “Jim” F. Adams

October 12, 1949 ~ November 11, 2024

Haven’t seen him since graduation. But a very good guy. RIP from the Romeros

So sad to hear of Jim’s passing. We had great memories of working together and later dating. He was so fun to be around. He took care of his mother with Love. The three of us enjoyed many dinners together. He will be missed.

Jim was a special guy who never let a friend down. One of my greatest memories is of graduation night 1968 and Jim and me in my dads Volkswagon bus after the graduation ceremonies went to the Woodland drive in and tried to score some chicks. Well I won't go any further with that but after the movies about 4:30 in the morning we ended up at Denny's on North Temple. I looked in the newspaper stand and Robert Kennedy had been shot. That was the headline. Jimmy will be missed and I wish I would have stayed in contact! Love You Man!!

When my grandmother adopted me, Jim welcomed me into his home with open arms. He cared for me as his own, gave me my very own bedroom, and showed me so much love. Jim had such a big heart, and he loved with all of it. I have so many fond memories of Jim and Grandma Mabel that I will always treasure. From lively games of Scrabble at the dinner table, to summer dips in Mabel's community pool, each moment spent with them was filled with warmth and joy. I’ll never forget Jim's unexpected love for my first dog, Bogart, even though he swore he'd never allow another dog after losing his beloved dogs Rough and Ready. I feel so grateful for the years I got to share with him. He will be missed.
