
James Kent Phillips

May 23, 1968 ~ April 1, 2023

Kent was a genuine person, fun to be around with a real love of life. He was a brother and will be missed. My condolence to Marianne and the family.

I was introduced to Kent through a mutual friend in the late 80's, early 90's. Immediately, I knew that he was a great guy that like to laugh and spend time together with family and friends. Fortunately for me I had the chance to meet and spend some time with him, they were great times. I send my condolences to his family.

Dear Kent and family, Kent and i meet years ago and we just instantly understood each other! We grew up with the same backgrounds and had alot of similiar values! Kent always had a good attitude and level headed advice.! And was so cute and funny. We parted and kept running into each other. So it was a frienship i will never forget. He will always be in my heart and mind! And Kent loved all his family dearly! He told me so! And he will always be with us all! He is just a special soul! Until we run into each other again! I love you Kent! Your old friend, Sue
