

James “Monte” Vincent Jr.

February 3, 1929 ~ January 23, 2023

Monte was a long-time best friend of my father Gordon Lee, so my memories of him go back as far as my earliest recollections. I remember him always being gentle and kind, with an easy sense of humor and happy spirit. My dad deeply appreciated all of Monte’s friendship, support and help over the years (not to mention his skills as a bowling partner). We all feel his passing and may we all hold his memory in our hearts.
