- Pena family

You came into my life when I was 9 years old. It was wonderful. I cant imagine my life without you in it.... Glad I have that beautiful family you created....Love to all. Jim until we meet again....

I did not know Jim personally, but I do have the pleasure of having his son Mike as a neighbor. In looking for Jim's obituary I did not need a name as Mike looks very much like his Dad. If my neighbor Mike is any example of the type of man that Jim was then he must have been a hell of a good man. I'm sorry for your loss. Losing the Father that raised you is not easy. All of a sudden you are really on your own with nothing but memories. Jim and I are about the same age, I wish I had, had the chance to get to know Jim as I know we would have gotten on pretty well. Godspeed!
