

James Stuart Brown

April 10, 1936 ~ November 20, 2025

It was pleasure to meet Jim at the assisted living when visited my mother-in-law. Jim always greeted everyone at the dinner table, and always helped others. It was interesting to have short conversations with him, and learned a bit about his family, and his previous work. He was proud of his family, and his faith! Iwe liked his shirts with his name on them, and he was saying the family made it for him... We realized he lost his wife around the same time my mother-in-law became a widow too. Our condolences to the family! May memories of his incredible life and great personality comfort you all at this difficult time. + With prayers, Davis family +
