

Jane Kimball Lamb

July 21, 1936 ~ April 8, 2021

We loved Jane so very much for so many years. She showed her gifts and talents to us so many times. We are so happy to have seen her a few times over the past few years, and it was always a joyful experience to say hello, to see her smile and remember her beauty and service. To her children, grandchildren and great grandchildren - we loved her and love all of you. You are our cherished nieces and nephews. We know you will feel her presence even now. Love, Val and Nancy Swenson
