Dear Thompson family, Our condolences go out to you. We are fairly new to this area but for the brief time we knew Janeen, she was a treasure. She was one of the first to welcome us into the ward. She was always bright and cheerful. We knew immediately that we had a friend in Janeen. We simply wish all of you peace and comfort as you move forward in this tender time. Love, The Debenham's Lila Mae, Jim, and Jenny.

- Jim Debenham

My deepest condolences to your family. I was able to work with Janeen at Discover on multiple projects over the years and for the past year or so, on the same team. I was always impressed by her happiness, her kindness, and her willingness to jump in and help anyone that needed it. Thank you for sharing her with us. She will be greatly missed.

Thank You Jennie for posting the details. My thoughts and prayers are with all your family at this difficult time. I worked with your mother at WICAT for several years. We both started out as testers in QA working the night shift. I will always remember your mother bringing in her Whitney Houston CD and singing the songs as they played. I told her she sounded even better than Whitney! I will always cherish our friendship and her beautiful voice and smile that could light up a room! Keep singing Janeen. Heaven needs more angelic voices!

- Kerry Stanger

So sorry to hear of your loss. I used to tend Spencer as a baby and Jeff and Jenny. She had an amazing voice and beautiful smile. Prayers to your family.

I am so sad and want to give my condolences to the entire Thompson family. Janeen was instrumental in my conversion when we were good friends at the ripe ages of 17 and 18. She may have been one of the sweetest persons I've ever known. May Heavenly Father's peace be with you during this difficult time.

Janeen was such a sweet kind neighbor and a wonderful friend. She is one of those neighbors that you wish you could take with you when you moved out of the neighborhood. Oh Rolf and family I am so sorry for the loss of your wife, mother, and grandma. She was an Amazing lady!!! She will be deeply missed. She was so talented with her singing and her guitar playing, and thank goodness she kindly shared her talents with us that were lacking. Her gardening talents were that of wonder too. I loved the jalapenos I always got from her for Christmas. BUT above all she was I always loved the way she shared her testimony on fast sunday. Her testimony of the gospel was strong and unwavering. I definately missed her when I moved. Love, Jessica Davenport

I am very fortunate to have been able to work with Janeen closely for the past 6 years. We had a small tight knit team and I got to know her well and by extension I feel like I know her whole family – she sang your praises constantly and shared your joys too. Janeen was an amazing employee, she never encountered a challenge she was not up for tackling. In fact, she covered my responsibilities (and hers) while I was on leave for the birth of my kids; both times I was comforted knowing Janeen had things covered. Every time she took an assignment I knew she would deliver it on time and exceed my expectations. She also served as a source of positivity on the team, if there were any conflicting views or decisions, she had a way of easing tensions and highlighting the positive side of any debacle. I admire her in many of ways and I hope I can come close to matching her positivity, class and style, and have as many fun adventures as she had. I will remember her fondly every time I eat kimchi, hear about BTS or watch K Dramas. My heart goes out to the whole family (including Gio).

Rolf That was a fantastic celebration of Janeen's life. I wish I would have been able to be there. The kids gave an incredible picture of some of her qualities. I'm sure they only just touched the surface of all the beautiful things you did together. There is obviously so much love in your family. I am so sorry for your loss. I do want you to know of my friendship and love for you. Steve Gledhill

Dear Thompson family, I am so sad and shocked to know that dear Janeen has passed away. I hold her in my heart as a dear friend with whom I had much fun while both our girls were in figure skating. I admired her for her ability to work hard and take things in stride while constantly making new friends and continuing to support old. Please accept my sincere condolences and since I just found out today, I am sorry to have missed a chance to say goodbye to a lovely friend like Janeen. ~ Malavika
