I loved working with Barbara at Webster's. She was always interested in what I was doing in my life. We both decided to get a set of China from Grand Central and since it was open stock purchase, plate by plate, we loved seeing what other pieces we each each found as we would go back to gather more for our sets. And we were always letting each other know what else they stocked!! It was a fun bargain hunt!! She was always fun to talk to!! We got along great!! I am so sorry for her family. I know they will miss her greatly!! I am sure Bob, Beth and Lyle were right there to greet her with loving arms!!
