I met Janet when we both worked as secretaries in the law firm of Greenwood and Swan. She was a very happy person and fun to be around. When they were living in California my husband and I stayed with Janet and Lee while we looked for a home in Westminster. My condolences are with her family.

I became acquainted with Janet a few years ago. She was an avid genealogist. She descended from the Union of 2 Judd lines Ammon Franklin Judd and Annie Dowler Judd. Annie is the sister to my grandfather, Harry Judd both Children of Frederick. We swapped tales and I was able to answer questions about Ammon Judds lineage because both of our Judd families stem from the southern Utah area but I’d never found the link. She shared with me many wonderful family stories and we emailed back and forth for some time. She was an advocate of genealogy and temple work. I never met her personally although we talked of our families and she invited me to come cut down some the trees on their property. I extend my condolences to the family but triumphant she will rise and today she’s in a lovely place, renew old acquaintances and preparing for even greater work. One day we’ll meet and visit with those she and I talked about.

My sister Marlyn just told me about my sweet cousin Janet's passing. I am sorry to hear about the loss of your Mother. I spent lots of time with Janet's Mom , my favorite lAunt, Aunt Vanorda and Janet was one of my favorite cousins as a child and as an Adult as well. She was always so kind and thoughtful. She was several years older than me, but I remember her being was so much fun and so sweet. Please know that our thoughts and prayers are with you at this time. I would love to come to the funeral, but will be out of town this weekend. Our love goes out to all of you at this difficult time. I'm sure there was a grand reunion on the other side of the veil with My Mom , Alta Martindale Lerwil, Aunt Vanorda and many others who love her. May God bless you with peace, love & comfort at this time of loss. Love, Shirley Lerwil Brock
